Appiani

SOFA DESIGN BY VF DESIGN STUDIO

I tratti distintivi del divano modulare Appiani sono le linee rigorose dal design contemporaneo, esaltate in finiture lussuose ed eleganti grazie alla trapunta degradé. La collezione si articola in una proposta sia di divani chiusi ed elementi modulari classici, sia di elementi inaspettati, come moduli curvi o angolari squadretti con pouf tondo integrato, per soluzioni innovative ed inedite. La fascia frontale alla base del divano diventa una cornice che si trasforma in bracciolo e schienale creando un design continuo ed ininterrotto. Disponibile in tessuto o pelle, il suo design senza tempo può arredare con stile ogni ambiente.

The hallmarks of Appiani modular sofa are the rigorous lines of contemporary design, enhanced in luxurious and elegant finishes thanks to the dégradé quilting. The collection features both closed sofas and classic modular elements, as well as unexpected elements such as curved or square corner modules with integrated round pouf, for innovative and original solutions. The front band at the base of the sofa becomes a frame that turns into an armrest and backrest, creating a continuous, uninterrupted flow. Available either in fabric or leather, its timeless design can furnish any room with class.
