Borromeo

SOFA DESIGN BY GIANFRANCO FRIGERIO

Carattere distintivo del divano Borromeo è il suo gusto classico, dalle proporzioni moderne e dallo stile elegante e lussuoso. La collezione si articola in soluzioni lineari con divani chiusi o modulari, soluzioni angolari classiche e, in particolare, si esalta nell'iconica versione che presenta l'elemento angolare curvo con pouf tondo e tavolino a forma di semicerchio in coordinato. Elemento armonico della collezione è la trapuntatura dedicata all'interno dello schienale e ripetuto sulla superficie dei pouf, rifiniti da un profilo impunturato a mano in contrasto, mentre il resto del divano è rifinito da un raffinato profilo liscio. Completano la collezione una serie di accessori come tavolini semicircolari e pouf isola, con inserti in legno o gres porcellanato effetto marmo.

The distinctive features of Borromeo sofa are its classic taste, its modern proportions and elegant, luxurious style. The collection offers linear solutions with closed or modular sofas, classic corner solutions and, in particular, Borromeo is exalted in the iconic version that features the curved corner element with a round pouf and matching semi-circular small table. A harmonious element of the collection is the dedicated quilting on the inside of the backrest and repeated on the pouf surface, finished with a contrasting hand-stitched profile, while the rest of the sofa is finished with a refined plain piping. The collection is enriched by accessories such as semi-circular small tables and island poufs, with wooden or marble-effect porcelain stoneware inserts.
