Brivio

SOFA DESIGN BY VF DESIGN STUDIO

Il divano modulare Brivio si caratterizza per un design decisamente contemporaneo e dalle finiture luxury. Le forme classiche ed essenziali si esaltano nei volumi extra large dei cuscini seduta che poggiano su di una fine base rivestita in pelle. La vocazione sartoriale della raffinata collezione Vittoria Frigerio viene evidenziata da una cucitura dedicata sulla seduta del divano Brivio, che diventa un elemento caratterizzante e peculiare. La collezione di divani modulari Brivio si presta alle più svariate progettualità e idee d'arredo: composizioni classiche, lineari o angolari fino a soluzioni bifacciali per ambientazioni uniche e sofisticate. La collezione è arricchita da accessori con finiture preziose, come tavolini rivestiti in pelle con top in marmo, e braccioli di differenti misure per ogni soluzione d'arredo.

The Brivio modular sofa is characterized by a markedly contemporary design and luxury finishes. Its classic and essential forms are enhanced by the extra-large volumes of the seat cushions that lie on a fine leather-covered base. The sartorial vocation of Vittoria Frigerio collection is highlighted by a dedicated stitching on the seat of the Brivio sofa, which becomes a hallmark. Brivio modular sofa collection can meet any design and furnishing need: from classic, linear and corner compositions up to double-sided solutions, for unique and sophisticated settings. The collection is enriched by accessories with precious finishes, such as leather-covered small tables with marble tops, and armrests in different sizes for every design and space solution.
