Clivio

SOFA DESIGN BY GIANFRANCO FRIGERIO

Il divano modulare Clivio ha un design allo stesso tempo deciso ed etereo, grazie alla struttura aerea senza continuità fra bracciolo e schienale. È un oggetto prezioso, da leggersi a più livelli, ricercando dietro ad ogni dettaglio la perfezione e il desiderio di eccellere. La trapunta dedicata ricopre la parte superiore dei braccioli e degli schienali fissati da bottoni dorati, mentre i cuscini poggiatesta integrati garantiscono ulteriore comfort. La ricerca del dettaglio perfetto culmina nella cerniera dorata, che delimita il profilo del bracciolo e dello schienale; il profilo, invece, ne evidenzia la silhouette e testimonia la cura per il particolare di Vittoria Frigerio. Clivio è una fusione armonica di elementi che dettano un nuovo rigore stilistico.

Clivio modular sofa has a design that is both bold and ethereal, thanks to the aerial structure without continuity between armrest and backrest. It is a precious object, to be read on more layers, seeking behind every detail perfection and the desire to excel. Dedicated quilting covers the upper part of the armrests and backrests secured by golden buttons, while integrated lumbar cushions provide additional comfort. The search for the perfect detail culminates in the golden zip, which outlines the profile of the armrest and backrest; the piping, on the other hand, highlights the silhouette and proves Vittoria Frigerio's care for detail. Clivio is a harmonious fusion of elements that establish a new stylistic rigour.
