La famiglia Contarini, dal design sontuoso e iconico, annovera anche la console, disponibile in due preziose versioni: Contarini può avere la struttura arricchita da una pregiata trapuntatura, oppure, a scelta, un delicato ricamo in rilievo. Il piano della console è composto dal top in marmo e dal cassetto in legno, il tutto a scelta tra le lussuose finiture della collezione. La struttura è impreziosita da una cerniera, che ne delinea le parti tessili. La console Contarini, capolavoro di artigianalità, può arredare con estrema disinvoltura qualunque spazio della zona giorno o notte. La possibilità di scegliere tra numerose finiture rende l'oggetto estremamente duttile e personalizzabile.
