

Durini Lux

SOFA DESIGN BY GIANFRANCO FRIGERIO

Il divano Durini Lux coniuga semplicità delle linee e raffinatezza dei dettagli. L'essenzialità delle linee geometriche è esaltata dalla ricchezza dei preziosi intrecci su braccioli e schienali. La cifra stilistica di Durini Lux è, infatti, l'intreccio di tasselli in legno massello rivestiti artigianalmente uno ad uno, in tessuto o pelle. I cuscini schienale sono impreziositi da un ricamo in rilievo con logo VF e da una sobria trapuntatura verticale. La collezione si articola in elementi terminali, centrali, dormeuse e chaise lounge componibili fra di loro, per soluzioni arredative dedicate.

Durini Lux sofa blends simplicity of lines and exquisite details. The essential geometric lines are enhanced by the richness of the precious interlacing on the armrests and backrests. The stylistic hallmark of Durini Lux is, in fact, the handmade interweaving of solid wood tiles that are covered one by one either in fabric or leather. The back cushions are decorated with a VF logo embroidery and a discreet vertical quilting. The collection features terminal elements, central elements, dormeuses and chaises longues, which can be combined for customized furnishing solutions.

Struttura: legno multistrato imbottito in poliuretano espanso indeformabile rivestito in fibra sintetica termo-legata con vellutino.

Pannello schienale esterno: liscio o effetto intreccio.

Pannello bracciolo esterno: effetto intreccio.

Effetto intreccio: realizzato con tasselli di legno ricoperti nello stesso materiale e colore del rivestimento.

Cuscino seduta: poliuretano espanso indeformabile.

Cuscini schienale e bracciolo: piuma d'oca (Assopiuma) con inserto in poliuretano indeformabile.

Rivestimento: fisso, disponibile in tessuto o pelle.

Logo VF: sui cuscini schienale, nello stesso materiale e colore del rivestimento, con ricamo in contrasto.

Trapuntatura: disegno dedicato al modello, su cuscini schienale e cuscino seduta dei pouf.

Structure: plywood padded with non-deformable polyurethane foam covered with synthetic fibre thermo-bonded with velveteen.

External backrest panel: plain or interlaced effect.

External armrest panel: interlaced effect.

Interlaced effect: made of wooden squares covered in the same material and colour of the cover.

Seat cushion: non-deformable polyurethane foam.

Back and armrest cushions: goose down (Assopiuma) with insert in non-deformable polyurethane foam.

Cover: fix, available in fabric or leather.

VF logo: on backrest cushions, in the same material and colour as the cover, with embroidery in contrast.

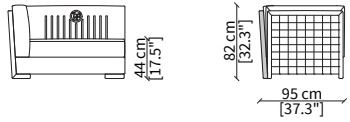

Quilting: pattern dedicated to the model, on back cushions and on pouf seat cushions.
