## Greppi | Greppi High

ARMCHAIR DESIGN BY VF DESIGN STUDIO

La poltrona Greppi sfoggia proporzioni equilibrate per un effetto nido, grazie allo schienale avvolgente a tutta altezza. Gli inserti trapuntati sulla parte esterna dello schienale e sul cuscino poggiatesta integrato sono un esempio nitido della sartorialità della collezione Vittoria Frigerio. Greppi è un oggetto senza tempo, seppur estremamente attuale nelle proporzioni e nei materiali. La poltrona è anche disponibile nella versione Greppi High con schienale ad altezza 87 cm per un relax ancora più enfatizzato.

*Greppi armchair features balanced proportions for a nest-like effect, thanks to the full-height enveloping backrest. The quilted inserts on the external part of the backrest and on the integrated lumbar cushion are a clear example of the sartorial craftsmanship of the Vittoria Frigerio collection. Greppi is a timeless object, yet extremely contemporary in its proportions and materials. The armchair is also available in the versione Greppi High with backrest at height 87 cm for an even more relaxing seating position.*
