SOFA DESIGN BY LUCA ERBA

Il nuovo divano Monaco, design by Luca Erba, si contraddistingue per le sue forme non convenzionali, i morbidi elementi curvilinei e il dettaglio della sovrapposizione del bracciolo piacevolmente adagiato sul cuscino di seduta monovolume. La visione dell'architetto mira a trovare l'essenza profonda di ogni materiale, per una reinterpretazione morbida e sensuale di silhouette ispirate alla natura. Ben oltre il classico elemento seduta di forma rotonda, il divano Monaco propone elementi inaspettati per nuove soluzioni progettuali e spazi interamente personalizzabili. Il divano modulare Monaco permette di procedere con soluzioni classiche e lineari fino ad ambientazioni più sofisticate. La collezione è completata da una poltrona.

The new Monaco sofa, design by Luca Erba, stands out for its unconventional shapes, its soft curved elements and the detail of the overlapping armrest pleasantly resting on the one-piece seat cushion. The architect's signature aim is to find the deep essence of each material, for a soft and sensual reinterpretation of silhouettes inspired by nature. Far beyond the classic round seat element, the modular Monaco sofa features unexpected elements for new design solutions and fully customizable spaces, thus allowing the creation of both classic, linear solutions and more sophisticated settings. The collection is completed by an armchair.
