

Necchi

SMALL TABLE DESIGN BY ANDREA BONINI

Il tavolino Necchi reinterpreta l'eleganza con un'inaspettata forma ovale, dove design e artigianalità convergono in perfetta armonia. La base scultorea è rivestita in pelle pregiata, che riprende l'estetica raffinata del divano Necchi, rafforzando un senso di continuità ed esclusività all'interno dello spazio abitativo. Il piano in legno è arricchito su richiesta da un piano decorativo rotondo in marmo, per un altro significativo dettaglio estetico. Una dichiarazione di lusso sobrio, il tavolino Necchi è più di un semplice complemento: è una testimonianza di materiali pregiati e di dettagli meticolosi, che incarnano l'essenza di una raffinatezza senza tempo.

The Necchi small table reinterprets elegance with an unexpected oval form, where design and craftsmanship converge in perfect harmony. The sculptural base is covered in precious leather, echoing the refined aesthetic of the Necchi sofa, reinforcing a sense of continuity and exclusivity within the living space. The wooden top is enriched on request with a decorative marble round top for another significant aesthetic detail.

A statement of understated luxury, the Necchi small table is more than just a complement—it is a testament to exquisite materials and meticulous detailing, embodying the essence of timeless sophistication.
