Rinaldi

SMALL TABLE DESIGN BY VF DESIGN STUDIO

Il tavolino Rinaldi è un manifesto di design audace: una base scultorea a forma di C rovesciata, rivestita in pelle, rimane incastonata fra un top e una base in marmo. In aggiunta il top è impreziosito da raffinati inserti in pelle. L'incontro di questi materiali creano un equilibrio perfetto tra forza scultorea e morbidezza avvolgente per una famiglia di tavolini dalle forme inaspettate.

The Rinaldi coffee table is a bold design statement: a sculptural base shaped like an inverted C, upholstered in leather, is set between a marble top and a marble base. Additionally, the top is embellished with refined leather inserts. The combination of these materials creates a perfect balance between sculptural strength and enveloping softness, resulting in a family of coffee tables with unexpected shapes.

Spalle: legno multistrato ricoperto esclusivamente in pelle Siena, con impunture in contrasto.
